Presidents Report - Murray Forman

President Report Dec 2015

Hi Everyone,

Wendy has decided to do this Special Edition for Christmas and as there was some activity at the V8 Supercar event, she has produced this Newsletter.

Both Wendy and I would like to thank the Executive Committee and all the Chapter Members for their participation in the Chapter events we have had this year. Without your participation, the Chapter cannot survive.

If you have any ideas, please contact me and we will do our best to arrange these events. At the moment I am working with Brian Wharton doing an IMOIE Chapter event in Brisbane in April. We have not yet confirmed the venue; as soon as we have this info I will let you all know.

The Western Australia guys are still having their get-together every Saturday at Terry Martins factory, so if you are in WA passing through, call in and support them.

In NSW, Harry and I will be arranging the monthly BBQ , more information to follow on this event.

Last year, we achieved a Second Flight Chapter Award, this year we are aiming to regain our Top Flight status, as we have done in the previous four years. To achieve this Award, we need participation from members as much as possible, so please keep an eye on the calendar and support your Chapter.

Once again, I wish you all a very Merry Christmas and a Happy New Year.

Murray Forman

As this is a Special Report for Christmas and nothing much has happened since our last Newsletter, I look forward to reporting next Newsletter.

Editors Report – Wendy Forman

At this very special time I would like to wish every one of you a very Merry Christmas and a Very Happy New Year. For those of you that are going on an exciting holiday, please take photos and email to me an editorial on the occasion and I will put in the Newsletter, as I am sure all our other Chapter Members would love to hear and see about your holiday. It doesn't have to be Corvette orientated, just share your experience.

ROTARY DAY AT KINGS LANGLEY

One of our Newest couples, Clive and Christine Owerko were approached to put on a small car show in Kings Langley for the Rotary in that area. Wendy and I decided to take two cars along to support them.

What a fantastic day. There were rides and air castles, segways and market stalls on the arena.

It was well attended even though it was quite chilly, thanks to the hot coffee we really enjoyed the day, thank you to Clive and Christine for arranging this event.
