## Presidents Report - Murray Forman

Here we are now in the third month of this year. The Covid situation is still improving and all we can hope is we have now seen the last of it.

It has been quite unfortunate that because of the Borders being shut, we had to cancel on two occasions the Chapter Meet in QLD and also on one occasion the Chapter Meet in WA.

We were able to complete our Chapter Meet here in NSW.

As you will see in our calendar that Rod and I have put together, we intend to do a Chapter Meet here in Sydney on August 15<sup>th</sup> and WA on Nov 14<sup>th</sup>. I am also hoping that we are able to complete the Chapter Meet in Qld from last year. I am waiting on a set date from QLD.

So, please support your Chapter and attend these Chapter Meets to make them a success.

Unfortunately, because of our incredible weather situation here in Sydney, we had to cancel this month's run, because of the rain and also the fact that the bridges to the west of Sydney to the Bilpin area were closed.

I am not sure if all of you know, but Wendy and I are the Editors of the Australian Newsletter and also the editors of the Southern Arizona Chapter and we have been running our Chapter Meet editorials in their Newsletter as well as our own.

So, this edition we have now been able to run their editorial on the Chapter Meet they have just completed. There also is a report on the Barrett Jackson auction, which is also being held at this present time. NCRS has been attending this auction for the past 15/16 years where it has given great exposure to the public attending the event.

It looks like the National Convention will go ahead this year in California, but unfortunately, Wendy & I will not be attending, so I am hoping that I will be able to get a report from our American Members that will be attending, so we will run it in our Newsletter.

We have also included the minutes from the latest National Board Meeting. There is some good information in there for you.

Murray Forman  
President NCRS Australia Inc.

## **Vice Presidents Report**

There is no report for this month

## **Secretary's Report / Editors**

We have received since our last magazines from other Australian Corvette Car Clubs their Newsletters.

There has been no other outgoing mail. Please consider doing a small editorial on any events you have been doing this year and email it to us, so we can put it in our next newsletter.

I am sure the other members would like to experience your travels.

Please stay safe.

Wendy Forman  
Editor Secretary.

## **Treasurers Report**

There is no Treasurers report this month.

## WA Pub Run

At an early Saturday Morning meeting at Terry's shed in January, Terry was telling everyone about this nice new Pub he had found in the Swan Valley and suggested it would be a good destination for a Corvette run.

So, on a nice, pleasant Sunday we assembled at the Seven Eleven in Great Eastern Highway and 9 Corvettes and a Chev Ute then cruised up the Tonkin Highway on which members could travel at 110kmh.

## NCRS AUSTRALIA INC CHAPTER NEWSLETTER

We turned off at Neaves Road and travelled down Railway Road near the rear of Pearce Airbase. Then down Great Northern Highway where we observed the damage done by the recent bushfires in the area. On arrival at Bailey Brewing Co., we were directed to our group parking and found our table on the grassed area.

Terry and Gary confirmed the beer was good and we all enjoyed a nice lunch.

Members attending; Antonella & Terry Martin, Morton Benjaminsen and Danielle Atkinson , Sharon & Andrew Ridge, Pat Hehir, Wendy & Neil Bishop, Tim & Carolyn Allard, Melissa & David Alder, Louis Lange & Richard Geiger, Brad & Nicola Watkins, Harriet & Allan Grime and Gary Cowans.

## Barrett-Jackson Auction Scottsdale 2021

John Tidwell and Pat Garland along with Tom Barr manning the NCRS stand at this year's Barrett Jackson Auctions in Scottsdale Arizona.

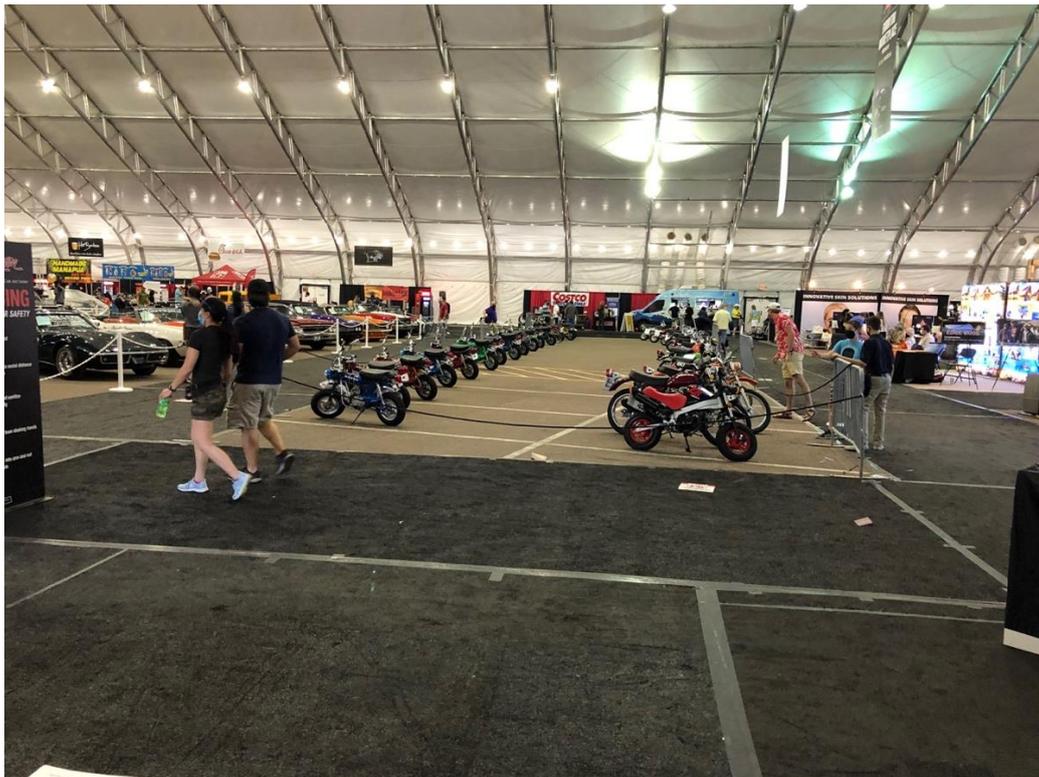

The event is running for 9 days where they process all types of motor vehicles and collectable items.

NCRS has been operating this stand here at Scottsdale for approx the last 15 years. It is a situation where we get great exposure to the public that come to the auction to either buy or just inspect. Also, a great opportunity to improve our Membership and also the sale of our merchandise and publications.

There was unseasonably cold weather with light rain that developed into light snowflakes in the higher elevations away from the event.

That continued thought out the early morning hours, but ended just before Flight Operations commenced.

With that being said, there were 5 Flight Corvettes scheduled but one member from the high elevations did not show up for the event.

There were Three Top Flight awards and one Second Flight Award.
