Presidents Report - Murray Forman

Hi Everyone,

We were fortunate enough to have two international couples join us in April. Scott and Kay Sinclair – Canada and Scott and Pam Kohn – USA. They participated in a Club Run and also attended the National Convention in Perth. A big thank you goes to them for coming over and sharing our passion with us.

A full report on our adventure is in this issue. As you are aware, the NCRS National Convention is in Las Vegas. At the moment we have four couples travelling over to assist the Southern Arizona run this event. We will report on my return.

We have changed the BBQ runs to Breakfast Runs. The first was held at Mezza Me Restaurant in The Regal Gardens, Annangrove. We had a fantastic roll up.

The second was a run to Grey Gums Café on the Putty Rd. The attendance was poor but still a good time was had, by all who participated.

The third run was to The Pie in the Sky at Brooklyn, once again the attendance was poor. I hope the attendance on these runs will improve as we move on through the year.

I have included in this issue the minutes of the Board Meeting of NCRS. As you are all Members, I think it would be a good idea for you to keep up with what decisions the Board is doing.

On the 17th June, we are holding this year's first Chapter Meet in Sydney. It will be held at Kurrajong Hills starting at 9am with a Judging School prior to the Chapter Meet. For all the Chapter Members with Club Registration, as you all know, it is part of your conditions to hold our Club Registration for this year 2018.

The conditions are that you must attend and assist in judging at least one of the Chapter Judging Meets in that year. So please make the effort to comply with your requirements. Please contact me and let me know of your intentions.

Chapter Judging

Next event on June 17th will be Chapter Judging at Murray's on Wendy's '65. Please try to attend as we need as many judges as possible to make the event a little more seamless and plenty of time for socializing.

Road Trip and Convention in WA 2018

Scott Pam KOHN from Corvette Central Michigan USA
Scott Kay SINCLAIR from Toronto Canada
Murray and Wendy FORMAN

We all drove a corvette to Regal Gardens to the restaurant MEZE ME to meet up with other NCRS Members on a Club outing Brekfast run

We had a great turn up of 26 Chapter members, they all enjoyed the Breakfast run. This is a change from year where we used to do the BBQ at Rouse Hill. So this was an encouraging turn out.

After the breakfast we all parted our separate ways.
Scott, Pam were driving the 1966. Scott, Kay driving the 1964
Murray, Wendy drove the 1990.
We all headed off towards Canberra staying at the Pavillion Motel

On arrival at Pheasants Nest, it was noted that the 1966 was spewing oil all over the 1964 which was following. On inspection it was determined that there was a gearbox leak, so the decision was made for Scott and Pam and Murray & Wendy to change cars. Murray & Wendy drove the 1966 back to Kurrajong Hills .

Once we got the car up on a hoist, we found that the plug in the tarmac gearbox had “fallen out” as shown in the picture above. On inspection we still had 1.5ltrs of oil still in gearbox, so no damage incurred.

We then drove our Mercedes down to meet up with the others at the Motel.

NCRS AUSTRALIA INC CHAPTER NEWSLETTER

Up early next morning, Oh No !!!!!!!!!!!!! 1990 had a flat tyre, that's fine we'll just change it, put the space saver on and drove to nearest tyre repair station. We found the problem with the tyre was the stem. all fixed and on our way to Jamala Wildlife Lodge / Z00.

NCRS AUSTRALIA INC CHAPTER NEWSLETTER

On arrival we were allocated our rooms.

In Jamala you actually share your accommodation with the animal you are allocated to.

Scott and Pam had the Brown Bear. Scott and Kay had the Tigers and Murray and Wendy had the Giraffe

As you can see, the tigers and bear are able to sleep on straw just outside the glass windows.

Our shower actually had a tiles giraffe on the wall.
The difference with the Giraffe room from the other two rooms is that you were able to feed the giraffe directly from your balcony.

The dinner was in a cave and the food was spectacular. All we can say is to put Jamala Wildlife Sanctuary on your Bucket List. it is one of the most memorable things you will do in your life.

Pam, Kay and Wendy all together

The two Scott's discussing the days events

On our return back to Sydney, the very next day we all headed off to Perth to the Australian National Convention for 2018

Unfortunately, the plane we were to catch from Sydney to Perth broke down, so then the group got separated,

Wendy & Murray were put on a later flight direct to Perth arriving in the afternoon.

Scott, Kay, Scott Pam were put on a plane to Brisbane where they were then put on another plane to Perth arriving at 3AM the next morning.

The venue was at The Trade Winds Motel in Fremantle, which has just been completely revamped, spectacular rooms

All the Corvettes filled the downstairs garage what a great sight.

Saturday morning, up early and all travel to in Supreme Court Gardens, Perth

This was a fantastic setting for this display. There was approximately 72 Corvettes assembled in Supreme Court Gardens, Perth

The 3 Amegos were asked to judge cars.

The girls relaxing in the shade, watching the boys judge the cars.

That evening everybody went on a river Dinner Cruise. The food and venue was spectacular.

All enjoying the company, food and drinks.

Terry Martin socializing on the cruise. It was great to catch up with our WA friends.

Perth city from the boat.

Sunday night was Presentation of the Awards for the Show N Shine, The Hard Luck Award, and The American Spirit Award.

The Corvettes of WA presented Scott and Kay Sinclair, Scott and Pam Kohn with a complete set of commemorative tokens. Which was produced by one of their sponsors Aus coins West Also everyone in attendance received a single token of Corvettes Convene 2018

Scott Kohn speaking on behalf of his Company “Corvette Central” as he was receiving the American Spirit Award.

Scott and Pam Kohn with the Award.

The next day we all visited Kings Park with the fabulous views overlooking Perth City

The following day we all jumped on a plane, flew to Broome where we were booked in to the Mangrove Motel

Broome International Airport, heading to our Motel.

We were fortunate enough to be able to witness what is called The Stairway to the Moon, only happens on a full moon.

Another venue we booked was to fly to The Horizontal Falls as shown below. This is where the extremely high tides and the fact that the two lakes are connected by two small passages, on the outgoing tide you end up with a difference of water levels between the lakes which creates a Horizontal Fall of water.

On the bottom lake, they have the facilities for overnight accommodation along with the jetties for the sea planes, helicopters and speed boats.

This is the boat that takes you “up the Horizontal Falls”.

As you can see, there is enough power to do the job. There is only 1200 horsepower with 4 x 300hp Yamaha

Us with Pam & Scott Kohn with safety gear on.

Kay & Scott Sinclair

This picture shows the difference in water levels between the top lake and the bottom lake.

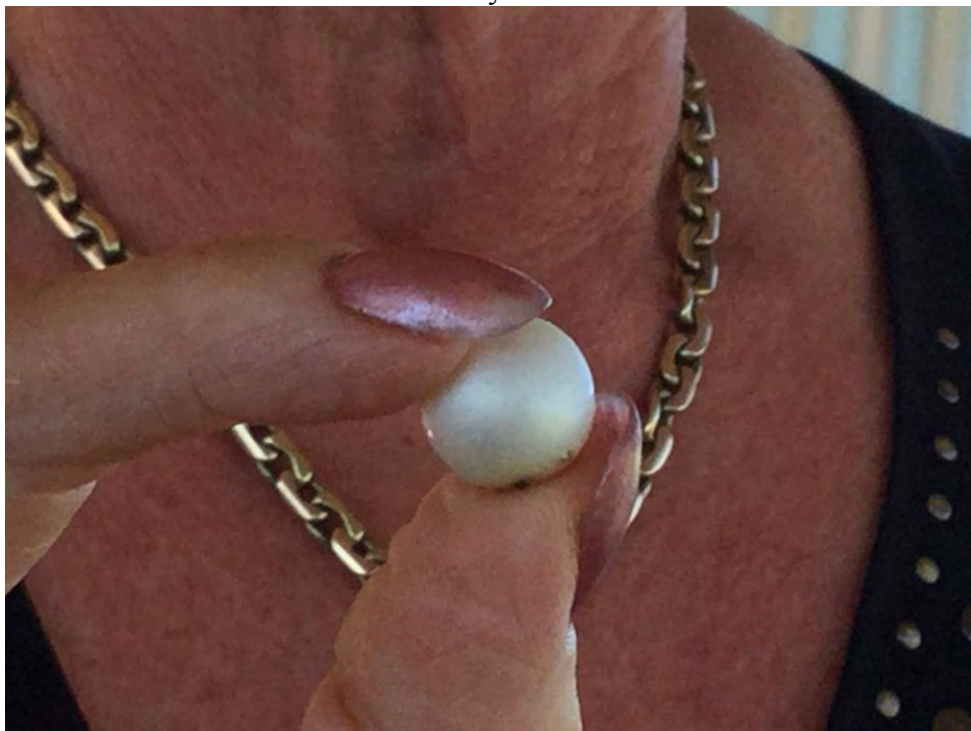

Moving onto another experience, driving from Broome to Willy Creek Pearl Farm in our hired 4 wheel drive.

Willy Creek Pearl Farm.

Rahim explains the complete procedure of fertilizing a cultured pearl and also explaining the complexity of the oyster.

Wendy had the pleasure of extracting this pearl from the oyster that Rahim was holding.

We then went on a tour out to the Pearl Farm Lines where these baskets are hanging vertically connected to a rope between a series of bouys.

They pull these trays on board, clean them with a wire brush, remove any growth they don't want, put back into racks then back into the water again.

It takes approx 3-4 years for the oyster to make a pearl.

You cannot go to Broome without doing the Camel Ride on Cable Beach
So here we all are at sunset.

Once again, it was an awesome experience.

All good things come to an end. So we departed Broome airport back to Perth.

Back in Perth, there were some Chicks hanging around the Departure area celebrating Easter weekend.

The six of us returned back to Sydney, where Scott Kay, Scott Pam continued directly onto International flights home.

Murray & Wendy returned to Kurrajong Hills for a long earned rest from having FUN.

Corvettes Convene Gary Cowans

2018, 30th National Corvette Convention, Perth Western Australia

Corvettes of Western Australia hosted the 30th National Corvette Convention in Perth over the Easter Weekend, March 30th to April 2nd 2018.

It was held at the Trade Winds Hotel in Fremantle. Corvette enthusiasts and NCRS members from all over Australia including two couples from the US, attended and the venues were excellent, food was fantastic and all events were very well organised and great fun.

The Convention started on Friday afternoon with Corvettes converging at the Trade Winds Hotel car park. After registering we had a meet and greet buffet dinner in the hotel and met the participants. Twelve Corvettes drove over from Adelaide (representing the Corvette Club of South Australia Inc.), two from Queensland (representing the QLD Corvette Club Inc.) and NCRS members attending from over east and overseas were Murray & Wendy Forman from Sydney, Scott & Bev Kohn from USA and Scott & Kaye Sinclair from Canada.

A beer to celebrate the start of the Convention.

Saturday was show and shine at the Supreme Court Gardens in Perth and 72 Corvettes assembled representing all eras from C1 through C7.

Saturday Night was a twilight boat cruise and dinner on the Swan River.

NCRS AUSTRALIA INC CHAPTER NEWSLETTER

Sunday morning we cruised in Convoy through the Swan Valley to beautiful Mandoon Estate Winery and enjoyed a coffee.

We then the drove through the hills which was lovely with the top off, beautiful scenery, interesting roads and cruised onto the Mason Mill Restaurant for lunch.

The presentation dinner was well attended and NCRS Member Terry Martin took out best restored C2 category for his L72, 1966 Coupe with Gary Cowans taking out runner up with his 1965, L78 Coupe. Terry also won best modified C6 for his 2009 ZR1. Patrick Hehir, best C7 for his black 2016 ZR1.

Terry collecting his trophy from Murray Forman.

Terry and his C6 Trophy.

NCRS Australia sponsored the trophies and everyone received a Commemorative coin.

Sadly Morton Benjaminsen could not attend as he was in hospital and happily, he now has made a complete recovery.

Everyone agreed that it was a very well run convention and thanks to Corvettes of WA for their outstanding effort in organising this amazing event. The 2019 convention will be in Brisbane followed by the 2020 in Adelaide.

Club Run Grey Gums

Our Club Run to Grey Gums Café. We all met at Caltex Windsor, we had four Corvettes and one Porsche. It was a very pleasant drive along the Putty Rd to the Cafe

What a perfect day for a drive and the service and food was as good as it always is. The attendance was a little poor but this didn't dampen our spirits we all had a great day.
