A big thanks goes to the Guys who attended

At this AGM, in General Business, we will be discussing and approving Chapter Meets for next year. I would hope to have a Meet in Perth, Brisbane and Sydney. There will be more information about this in the next Newsletter.

## General business

- The Chapter started in 2005, with its first Top Flight Award achieved in 2008. Since then the Chapter has achieved Top Flight each year except for 2014 where we received Second Flight. The Chapter is the only international chapter with recognition of Top Flight, and it has already qualified again for this award in 2019.
- We are the first Chapter in NCRS to achieve the Concourse Judging Event for modified cars.
- Members discussed that a register of judging points would be good – Wendy proposed that this be included in next newsletter.
- With the success of the monthly breakfast runs, this will continue next year. Murray and Rod will organize the 2019 Breakfast run calendar soon. Any suggestions for new venues are welcome.

## Amendment to Chapter Rules

- Murray advised that the rule for club plates, while discussed, was not ratified at AGM last year.

Decision: To have club plates, a member must attend at least 1 Chapter judging meet and assist in judging noting that the President and Vice President may exercise discretion in extenuating circumstances.

○ Moved: Andrew Christopoulos

○ Seconded: Ross Reynolds

The Chapter is the only international chapter with recognition of Top Flight, and it has already qualified again for this award in 2019.
- Murray and Rod represent club at Presidents meeting at the national conventions. Last year they put forward a motion to standardise the judging in each state. Murray has provided input for a simplified process that includes 3 Divisions. This will be put forward at next year's convention on the Gold Coast.
- Item raised about each club providing a \$500 donation to whoever is holding the National Convention event.
- **Carried**
- Murray advised that Bryan Wharton has requested Chapter meet in Queensland next year, 30 or 31 August. Perth guys also want one in Perth. Murray and Rod will work on a date for the Sydney Chapter meet.
- Proposed that next year's AGM held on 23 November, followed by Chapter meet on 24 November.

## NCRS AUSTRALIA INC CHAPTER NEWSLETTER

- Discussion on how to improve memberships. It was agreed to communicate the modified car judging to State Clubs, inviting them to run in their newsletters.
- With the success of the Breakfast runs, Rod and Murray will come up with a schedule for next year to continue with this popular event. Any suggestions for new venues welcome.
- New system for club registrations continues a trial basis. Concerns noted that, if full registration handed in (modified cars) and the trial was to finish, this may cause issues with not being able to re-register. If/when scheme becomes permanent, then would be time to consider.
- A Perth member has raised whether club would consider joining CAMS, cost is approximately \$480 per year.
- **Decision not to proceed**

### CMC

- Perth is a member of CMC. CMC work with federal government on club registration, so may be a benefit to have a representative to lobby. If was to have CMC NSW membership, this would require a representative to attend meetings.
- Ross Reynolds indicated an interest in attending as NCRS representative at CMC NSW meetings.
- **Decision: Murray will investigate.** If reasonable costs and meetings are achievable, then new position to be ratified next AGM
- **Carried**

### Xmas lunch

- Proposed that Xmas function be held on 9<sup>th</sup> or 16<sup>th</sup> December at Stonehouse (on way to Wisemans Ferry).

Rod will coordinate and advise members of actual date/venue once he can confirm.

## Other business

- Deborah raised whether more discussions could occur between Treasurer and Registration Officer to ensure names and payments match. Also, could Australian members pay membership fees by EFT instead of cash or cheque as this form of payment is difficult to reconcile.
- **Decision: Update membership form to remove PayPal and add bank account details for Australian members.** PayPal only for overseas members.
- **Moved:** Angie Cooper
- **Seconded:** Andrew Christopoulos
- **Carried**
- WA members put forward suggestion of offering membership at half price to those who take position on committee. This wouldn't impact on life members
- **Decision not to proceed**

## Adjournment

The next general meeting TBA.

Once the executive committee submitted all the reports, Murray declared all positions vacant and handed over to the enrolling officer Andrew.

Andrew then proceeded to read all the nominations and had them moved and seconded. The only change was that Rod Grogan has now taken on the Club Plate Registrar; otherwise all other positions stayed the same.

Murray then re-opened the AGM. A full report of this is following this editorial. Once all General Business was completed the meeting was closed at 10-50am.

It was great to see a good collection of members cars at the AGM.

Murray's 66

Harry's 66 Grand Sports

At the National Convention in Vegas this year, Murray approached the National Judging Chairman Dave Brigham, if it was possible for the Australian Chapter to carry out the new Concourse Judging procedure on modified cars.

Dave was very gracious and gave us permission to conduct this judging system. This makes Australia the First International Chapter to carry out and complete this system. We had two very worthy candidates, one being Murray's 66 coupe and Harry's 66 Grand Sports.

We held this event in Murray & Wendy's home in Kurrajong Hills.

The judges are inspecting the motor bay on Murray's 66.

With Dave Brigham's permission, we were also able to combine the final judging criteria for Wendy's 65 to complete the International Mark of Excellence Award.

The car has been judged three times prior in Flight Judging and scored above 97% Then the vehicle had to be driven 400 Kms to an event where it had to complete the IMO E parameters and have the Operations judged.

## Wendy's 1965 Leather Seat repair

Wendy's 1965 had a hungry visitor, it decided to have a meal on the drivers seat. As we found this, one week before the car was to be judged at the Sydney Chapter Meet, there was no time to buy a new seat from the USA.

I decided to see my local upholsterer, who does all the work on our cars, what he could suggest to rectify this problem.  
He was able to tell me about a guy in Sydney, that does leather repairs on damaged seats. So, I gave him a call, made arrangements to meet him. The attached photos explain his process.

He removed the cover off the foam and glued a mesh “back” to the underside of the seat cover.

He then, with a spatula, applied vinyl paste with a fibrous filling in it, then, used the heat gun to set it.

He did this process twice and then a third covering of just the straight vinyl paste. Just before he set it with the heat gun, he pressed a piece of leather into it to give it a leather grain and then set it with the heat gun.

Once he had finished the process, he then mixed up dye to match the seat and applied it with a small mouth blown spray gun, which gave him the right colour but a flat finish.

He then sprayed clear over it to give it the shine of the leather

This is the finished product, which then passed the judging.
