## Presidents Report - Murray Forman

Here we are again, at the end of the year with all the disruptions of Covid.

It appears that we are getting to the end of this Covid situation and learning to live with it. We have started to make arrangements for next year, we have decided to do the AGM in November 2022 in Perth, as we were to do it this year, but Covid situation changed it to Sydney.

In my Presidents report in the AGM, I state that we are holding a Sydney Judging Meet in March: Perth- April and again in November dates to be finalized.

As far as the AGM held in Sydney, there was not any changes to the management, all positions were retained as per 2021. We look forward to continuing on with organized events for the Chapter.

There is a complete report on the AGM in this Newsletter for your information.

Wendy and I received invitations to attend the right-hand drive C8 in Australia, I have included a report later on in this Newsletter.

Both Wendy & I would like to wish you and your family all the best over Christmas Please stay safe and enjoy this festive season.

## Secretary's Report / Editors

We have received since our last magazines from other Australian Corvette Car Clubs their Newsletters.

Please consider doing a small editorial on your Christmas vacation this year and email it to us, so we can put it in our next newsletter.

I am sure the other members would like to experience your travels.

Please stay safe. Merry Christmas to you and your family.

Wendy Forman

Editor Secretary.

## Vice Presidents Report

Thanks to Murray & Wendy, Joe , Andrew the Committee and all the interstate Representatives, Terry, Gary and Brian for all their hard work this year to keep NCRS up and running.

It is also great to see Dicko has made great progress with his recovery and looking Forward to jumping in his vet and coming on some runs.

Considering the circumstances, it is great to see we have 8 new members this year. Congratulations on joining the NCRS Family.

Covid has once again caused havoc with all our events this year and uncertainly For planning. Even some registries in NSW were knocking back renewals on Historic vehicles, unless required for essential use, WOW.

Unlike our friends in WA, who were incredibly lucky to continue most activities, We were locked down and unable to get out and about and also affected by the Floods in the Hawkesbury.

However, we managed to get some events in.

April: Grey Gums café run where John and Jenny from SA managed to join us.

June: GM Day at Penrith, Museum of fire, which was cancelled in 2020 due to our First NSW lockdown.

We are hoping to be able to reschedule missed events to Berowra Waters Inn and Stanwell Tops Run in 2022.

Also the Corvette Nationals in Canberra look to be going ahead in 2022 Easter weekend In April on 15-18<sup>th</sup>

Murray and myself will be organising the calendar very soon, so if you have any places Of interest that you would like to go to, please let us know so we can include them in Our monthly schedules of runs.

Wishing everyone a Happy Christmas and hope everyone has a great time at the Various Chapter Christmas Parties. The NSW event is next weekend at the Vanilla Cream Café in Annangrove. All are welcome.

Basically, hoping for a better 2022.

Rod Grogan VP.

## Right Hand Drive C8 Release in Australia

Wendy & I were invited to the unveiling of the latest righthand drive C8 in Australia at Col Crawford GMSV dealership. We arrived in our 66 (ROKY) very early, way before everybody else. We were waiting in the carpark when all of a sudden, in drove this magnificent C8. We were very fortunate that we were able to spend about an hour to inspect the vehicle before the crowd arrived. I spent time with Allen from GMSV who explained the operation of the vehicle to me.

Of course... we had to see how Wendy felt behind the wheel, her face says everything.

## NCRS AUSTRALIA INC CHAPTER NEWSLETTER

As you can see, lots of room on the passenger side.

The rear trunk, even with the hard top in it, there still was space under it.

I was able to lay down and take this shot of the under carriage, absolutely flat, very impressive.

As you can see, they have really squeezed the engine into this compartment. The use of the carbon fibre really finishes the engine bay off.

## NCRS AUSTRALIA INC CHAPTER NEWSLETTER

In the front of the car, I was very surprised with the storage compartment (frunk) that is available for luggage.

Front: 245 x 35 x ZR19

Rear: 305x 30 x ZR20

## NSW Christmas Party 2021

This year we held our Christmas Party at the Vanilla Cream Café in Annangrove. The weather was raining as usual, so this kept the cars and the members attendance down. We had 14 members attend and 3 corvettes. Even though the weather was atrocious, the function room they gave us and the service was fantastic. Enjoyed by everybody.
