Presidents Report at the AGM- Murray Forman

As we conclude 2025, I am pleased to report that the NCRS Australia Chapter has experienced another highly successful year. This final newsletter marks the perfect opportunity to reflect on our achievements and look forward to the road ahead.

Operational and Financial Health

The Chapter remains in a robust state, both operationally and financially. While we have said goodbye to a few long-standing members, we have also warmly welcomed new enthusiasts, keeping our membership base strong and stable.

A monumental thank you must go to **Gary Cowans** for his consistently excellent work on our Judging program. His dedication helped us once again achieve the coveted **Top Flight status at the Nationals held in Las Vegas**—a testament to the high standards of restoration within our Chapter.

Events and Chapter Meets

Throughout 2025, we successfully hosted three Chapter Meets: two in Western Australia and one in New South Wales. These events were incredibly successful, reinforcing the camaraderie and technical depth of our membership. We are already hard at work planning an expanded calendar of Chapter Meets for the new year.

Leadership Transition

On behalf of the Chapter, I would like to offer my deepest thanks to two dedicated individuals who are concluding their roles.

My sincere gratitude goes to our outgoing Vice President, **Rod Grogan**. Thank you, Rod, for your commitment and dedicated service to the Committee; it has been a pleasure working alongside you. We also thank **Gary Cowans** for his remarkable tenure as our Webmaster since 2009. His technical support has been invaluable to the Chapter for over a decade.

I would also like to officially welcome our new Vice President and Webmaster, **John Neskudla**. A full report detailing the outcomes and appointments from the Annual General Meeting (AGM) is included elsewhere in this newsletter to bring you up-to-date.

International Convention in Charleston, SC

Looking ahead, Wendy and I are already making preparations for the next National Convention in **Charleston, South Carolina**. This is truly an unbelievable experience. This year, both Glen Shreve and Patrick Hehir had a fantastic time and thoroughly enjoyed the event.

If you are considering attending this convention, please reach out to me directly. I would be delighted to assist you with all the necessary information and help you plan your journey.

Season's Greetings and a Call to Participate

Finally, Wendy and I wish every member a very **Merry Christmas and a safe and Happy New Year**.

We look forward to seeing you at our upcoming events in 2026. Your participation in Chapter Meets, breakfast runs, and all other organised venues is the engine that drives our success. Without your attendance and support, it becomes very difficult to make the Chapter a thriving success.

See you on the road!

Murray Forman President, NCRS Australia

Secretary's & Editors Report

As the year draws to a close, I offer a brief update on administrative matters and an appeal for content for our next newsletter. I look forward to continuing to serve you in the new year.

Communication Update

This year, we have seen a significant shift in how we receive communications from other clubs and chapters. Where we previously received printed Club Newsletters via postal mail, nearly all correspondence is now delivered via email.

If you would like to review copies of these digital newsletters, please do not hesitate to reach out to me, and I will be happy to forward them to you on request.

Chapter Postal Address Change

Please be aware that the Chapter's official postal address has changed.

For all future postal communication, please update your records and use our new address:

P.O. Box 292 Kurrajong NSW 2758

A Note from the Editor: Call for Content

As we head into the festive season, I put on my editor hat to request content for the next newsletter. Please consider putting together some short editorials—with accompanying photos—about your Christmas holiday travel and cruising plans.

Other Chapter members would genuinely enjoy hearing about your road trips and adventures!

Thank you for your support this year.

Wendy Forman Secretary & Editor

Wendy Forman, Secretary & Editor.

Vice Presidents

Thank you to all Australian National Corvette Restorers Society members for having the courage to allow me to fill Rod Grogon's boots as the Vice President.

I thank Rod for his many years in this seat. I hope I can do as good a job as he has done.

You will be my judge!

So that you will know a little about me, I am 70 going on 17 just like Lisle in "The Sound Of Music"! My parents and sister were immigrants from Czechoslovakia and hi-tailed it out of Prague when the Russian Communists took over in 1948. I have worked at many games, as an underground mine surveyor in Kambalda, a Commonwealth Officer, a Fisheries and Wildlife Inspector, a Ferry captain, a Sailing Master and second officer on a square-rigged sailing ship, a second officer in the Offshore Oil & Gas industry and a company owner. I am happily married to my wife of err, ah, umm, 35 years (I hope I got that right) and have a son living in Hong Kong as a veterinary surgeon. It would be correct if you assume, Jack of all, master of none! Although I do know a tad about replacing radiators in 454, 1973 Convertibles!

So that is me in a nutshell. Anything you read on the Internet is fake news!

First and foremost, a massive thank you to Murray and Wendy for the immense amount of work they do to keep the NCRS flag flying, not only here in Australia but also in the USA. Without this husband and wife, NCRS Australia would find it hard to achieve the heights it does.

Thanks also to the following who support Murray and Wendy, Andrew Christopolous, Joe Caruana, Gary Cowans and Terry Martin and to the committee members, Graham, Ross and Harry (I am sure we will meet one day, and you will buy me a beer!).

If anyone knows the whereabouts of our treasurer, Glen Shreeve, please let me know quickly!

I see regular outings on the East Coast, and the destinations are perfect for a day of fun in the sun with like-minded Corvette lovers. Keep it up, guys and gals. Once the word spreads that you are having fun, the crowds will swell.

Here, in the big state, we have destinations for what we call “Romeo” runs. This stands for “Retired Old Men Eating Out” and generally means 100-130kms maximum round trip with lunch. Gary Cowans has been instrumental in forming this entity, and we are all taking great advantage of it as often as we can.

I do see a future for our ROMEO runs where the distances may exceed 200kms as we exhaust the available eateries where we have not previously been. If the price of gas goes down, this will be a distinct possibility.

Please feel free to contact me anytime by email or mobile. I am, after all, your servant (I only charge the same as Andrew C per hour or part thereof)!

Adios Amigos.

AGM Report November 2025

2025 ANNUAL GENERAL MEETING MOM

NCRS AUSTRALIA INCORPORATED

Sunday 23 November 2025

Attendees: as per list

Apologies:

Apologies WA - David Adler

Apologies New South Wales - Rod Grogan and Neil Sutherland

Minutes of the 2024 AGM tabled and moved by Murray Forman with a proposal they be adopted as an accurate record of the meeting seconded Gary Cowans (carried)

Reports were tabled to the meeting as follows:

- 1. Report of the President - Murray Forman,*
- 2. Report of the Vice President (Rod Grogan) read by Murray Forman*
- 3. Finance Report Treasurer - Glen Shreeve*
- 4. Report of Secretary and Editor Wendy Forman*

A stock report was tabled by Murray Forman and noted by the membership.

The formal business having been completed, all positions were vacated and nominations received for Office Bearers 2025-2026 as follows:

- President Murray Forman*
- Vice President John Neskudla*
- Secretary Wendy Forman*

- *Treasurer Glen Shreeve*
- *Membership Officer Joe Caruana*
- *Merchandise Andrew Christopoulos*
- *Webmaster John Neskudla*
- *Editor Murray and Wendy Forman*
- *Number Plate Registrar Rod Grogan*
- *Event Coordinator Rod Grogan and Murray Forman*
- *Committee Members Harry Turner, Ross Reynolds and Graham Tydeman*
- *Public Officer Murray Forman*
- *Legal Officer Andrew Christopoulos*
- *CMC WA Registrar and C4C Officer Gary Cowans and Terry Martin*
- *CMC Officer WA Terry Martin*
- *State Rep WA Terry Martin*
- *State Rep New South Wales Murray Forman*
- *State Rep Vic, QLD and SA **TBA***
- *CMC Officer New South Wales Murray Forman*

*By quorum of the meeting, the positions were declared carried without opposition.
Congratulations were offered to all new Office Bearers for 2025-2026.*

*The meeting moved to **General Business** of the NCRS:*

1. Membership Fees

*Motion tabled by Murray Forman not to change current membership fees at \$75 per annum.
Moved Murray Forman. Seconded Graham Tydeman. **Carried.***

2. Membership Requirements

*Discussion to abridge the time stipulation enabling Historical or Club plate registration. The stipulation for attendance at Chapter meet remains **and** qualification via possession of a full or conditional (Historic) Corvette registration. **Proposal endorsed by quorum of the meeting.***

3. Proposed Chapter Meets

*A chapter meet in New South Wales will take place on 6 December 2025. 2026 meetings are proposed to be in WA in New South Wales x 2 with the hope that events can be organised in Queensland, South Australia or Victoria. Discussion ensued regarding finding state reps in QLD Vic and SA to assist that process. **The chapter dates are to be confirmed.***

4. Member Generation

Discussion regarding the age of members and how we can attract younger members to the fold. Murray discussed the introduction of new Judging methods introduced by NCRS dropping "Concourse" for "Open Class" Judging. A PowerPoint display of the Open Class judging was presented to the meeting.

*A proposal was put to acquire a mobile projector to exhibit judging criteria at chapter meets. Moved Murray Forman Seconded Glen Shreeve. **Carried.***

The meeting considered the viability of increasing ROMEO runs and/or the introduction of a track day.

Discussion regarding the objection lodged by Murray to NCRS USA to abolish Restorer and Driveline hard copies to members.

*Moved AC that Murray seek approval from NCRS USA to authorise the printing of the magazines in Australia for Australian members. Seconded Richard Geiger. **Carried.***

*Next was the revamping of our website and a comparable forward ambition identified by reference to Corvettes of Western Australia Car Club Inc. Enquiries to be made to find the cost of improving our website. Moved Murray Forman Seconded Gary Robertson. **Carried.***

Discussion regarding the club newsletter and assistance required by Murray and Wendy. Morton is to arrange some assistance with formatting and production to see if this will assist.

Discussion regarding the QLD National Convention in March 2026. Road tours were being organised from WA and New South Wales to QLD. Interested parties invited to join the discussion to maximise attendance numbers.

NCRS AUSTRALIA INC CHAPTER NEWSLETTER

Discussion regarding the US National NCRS Convention 26-30 July 2026. The only attendees at this stage are Murray and Wendy and AC and Carolyn. Members are invited to attend.

There being no further business, the meeting was declared closed at 2.30pm.

NCRS Australia Annual General Meeting (AGM) Summary

On Sunday, the 23rd of November 2025, the National Corvette Restorers Society (NCRS) Australia successfully gathered for its Annual General Meeting.

Meeting Logistics: Sheds, Screens & Shenanigans

This year, Moten's Shed in WA bravely hosted the in-person crowd, while our Eastern States members dialled in via Zoom, having dressed their top halves for business and bottom halves for comfort (no judgement, Andrew – those board shorts are legendary).

Committee Elections: Running to Stand Still

By unanimous motion (and no small measure of inertia), the existing committee was re-elected, marking another glorious year of continuity. In big news for the west, John Neskudla has bravely accepted not just the Vice President role, but also Webmaster. John, the club thanks you in advance for not turning the website into a tribute to 1973 restomods, please.

Venues & Victuals: BBQ Brilliance

After the official bits (and before anyone could escape), a BBQ lunch was achieved with spectacular efficiency – nobody left hungry, and a few even left with extra sausages “for research purposes.” Widespread praise for Morten’s Shed’s facilities means it’s officially been declared perfect not only for club meetings, but potentially for the next NCRS WA judging meet.

Chapter Meet Perth 21st/22 November 2025

NCRS WA Judging Meet Ends with Double Top Flight Triumph!

The Australian 2025 NCRS Judging Meet was a resounding success, taking place over two intensive days, Friday, November 21st, and Saturday, November 22nd, at Wangara WA.

Day 1: The Pursuit of Perfection

The meet kicked off with the rigorous judging of two pristine Corvettes belonging to member David, setting an exceptionally high standard for the weekend. We also benefited from an insightful

session led by Murray, who introduced the club to the intricacies of Open Class Judging—welcoming restomods and non-original vehicles into the evaluation process.

Day 2: Tech Mastery and Tongs

The judging continued Saturday, with the meticulous standards required by NCRS proving once again to be truly mind-blowing. We owe a massive debt of gratitude to all the dedicated judges, who put in long hours to go over every nut and bolt. You are the reason NCRS standards are so high!

The morning included a fascinating technical deep-dive, as Terry delivered an incredibly detailed presentation on C3 Wiper Motor repair and testing. This session went into the kind of minute, expert detail that only a true technician can master, offering invaluable knowledge transfer to all who attended.

Recognizing Judging Excellence

The ceremony continued with special honours for achieving judging excellence. Master Judge Murray presented the prestigious Black Master Judging Caps to David Alder and Colin Morris, who both achieved the coveted 100-point Master Judge status. Additionally, John Neskudla was presented with an achievement cap in appreciation of his long-standing commitment and service to the club.

The Celebration: BBQ at John's Place

With the judging officially done and dusted, it was time to switch gears from torches and magnifying glasses to tongs and cold drinks! We headed to John's Place for the Presentation BBQ, a well-earned feast and a celebratory few beer.

The energy in the room peaked when the awards were announced: a massive moment for David as he walked away with not one, but two Top Flight awards for his immaculate, low-mile Corvettes!

The pure joy of achieving such high honours was contagious, immediately inspiring two other members to volunteer their Corvettes for judging next year. That's what our club is all about! A huge thank you must go out to Terry for hosting the meet at Wangara, to John for providing a fantastic venue for the BBQ, to David for presenting such stunning cars, and to all the judges for their relentless effort.

Until next time, remember: NCRS WA – Driven by Detail, Powered by Friendship.
Congratulations to David Bradley, on both of his magnificent cars.

WA Christmas 2025

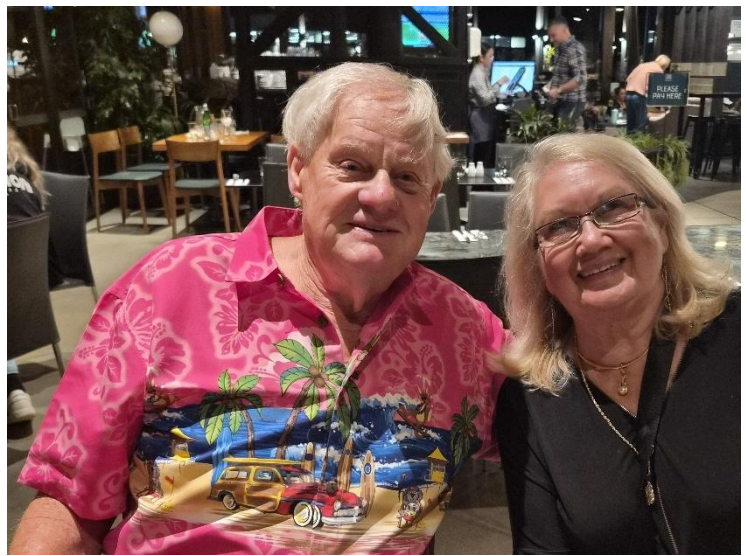

NCRS WA Members Christmas Dinner Closes the Year in Style!

Our annual NCRS WA Members Christmas Dinner on December 6 at the beautiful Three Acres Restaurant within the Wembley Golf Club was a spectacular success and the perfect, high-octane close to the year. The atmosphere was absolutely electric (Gary drove his BM'a EV & parked it among the C8s!) as members celebrated with fantastic food and even better friendship, showcasing the true spirit of our club.

A massive, heartfelt thank you goes once again to our Treasurer, Glen Shreeve, for his outstanding organisation of such a special and memorable event, which included a thoughtful Christmas gift for every member!

NSW Christmas Party 2025

NSW Members Celebrate Christmas at Paradise Gardens

On Sunday, 14th November, our NSW members gathered for the 2025 Annual Christmas Party, held at the picturesque Paradise Gardens on the banks of the Hawkesbury River.

Despite three members unfortunately having to cancel due to unforeseen circumstances, we enjoyed a fantastic turnout of 15 members and an impressive lineup of cars. The "fleet" for the day consisted of seven Corvettes and one "shopping trolley." It was a treat to see such a diverse range of generations represented, including C1s, C2s, C3s, C6s, and C8s.

NCRS AUSTRALIA INC CHAPTER NEWSLETTER

A special thank you goes out to Geoff and Angie, who made the long trek all the way from Wollongong to join in the festivities.

The venue was truly spectacular. We were once again permitted to park our Corvettes on the grass directly in front of the restaurant, providing an incredible backdrop for photos.

The hospitality was equally impressive. The food felt "never-ending"—as soon as plates were cleared, they were promptly replaced with fresh, delicious servings. We want to extend a massive thank you to the management and staff at Paradise Gardens for their fantastic, attentive service.

It was a wonderful way to celebrate the year and enjoy the camaraderie of fellow enthusiasts in a beautiful setting.

Chapter Meet Sydney 2025

NCRS Chapter Meet: Sydney December 5th & 6th, 2025

The Sydney Chapter Meet saw an impressive commitment to the hobby as Dusty made the long-haul drive from Parkes to Kurrajong to present his 1963 Split-Window Corvette for Flight Judging.

Dusty recently acquired this iconic Sting Ray from Performax, who had originally built the car for one of their directors. Seeking an expert baseline to understand exactly what he had in his garage, Dusty decided that putting the car through the rigors of NCRS judging was the best way to determine its technical status and originality.

The initial impression of the car was outstanding, with the judges noting its immaculate presentation. However, as is often the case with high-level builds, the mechanical scoring proved to

be the Achilles' heel. Despite the mechanical hurdles, the car performed well enough to secure a **Second Flight Award**.

With a complete, detailed judging report now in hand, Dusty is already planning his next steps. His intention is to rectify the highlighted issues over the coming months and return the car to the judging field in the new year.

We congratulate Dusty on his Second Flight achievement and look forward to seeing the results of his hard work when this beautiful Split-Window returns to the floor.
