Presidents Report - Murray Forman

Hi Everyone

On 12th November 2023, we held our annual AGM. A full report is further on in this newsletter. Positions stayed the same except for the change of our Treasurer.

I would like to take the opportunity to thank Deb Bridge for the superb job that she has performed for the past 6 years. Thank you very much Deb, for your hard work and look forward to seeing you at other events.

The position was taken up by a member in WA, Glen Shreeve, welcome Glen and thank you very much for taking on this very important position for the Chapter.

At the AGM, I also reported on our Chapter receiving another Topflight Status, This is very important accreditation of our Chapter.

Our Membership is constantly growing, we have a very high growth rate in WA, The Members over there are doing a superb job.

We have now agreed on 2 Chapter Meets so far for next year, more to come.

The first being in NSW on the 12th of May 2024, The second on the 19th October, 2024, this is giving the NSW and WA Members who qualify for Club Rego plenty of time to organize their calendar.

This year, I have also handed out Presidents Support Pins to 3 of our members:

Gary Cowans, Terry Martin and Joe Caruana. These 3 Members have exceeded their positions and have done a fantastic job for the Chapter. Thank you to all 3 members.

Murray Forman

President NCRS Australia

Secretary's Report / Editors

We have received since our last magazines from other Australian Corvette Car Clubs their Newsletters, and our Renewal of our Public Liability policy, which has now been paid.

Please consider doing a small editorial on your vacation this year and email it to us, so we can put it in our next newsletter.

I am sure the other members would like to experience your travels. Rather than the Newsletter being filled up with Murray & myself experiences on our travels.

Please stay safe.

Wendy Forman

Editor Secretary.

Vice Presidents Report

Thanks to Murray and Wendy for all their efforts to continue to lead Australian Chapter of NCRS. Their efforts to maintain ties with the US ensure that we are always up to date with what is happening with our parent group.

Also, a big thanks to Joe for his tireless efforts to manage the growing membership of our club. And, also to Gary for continuing to manage our website. All of our committee members have played a vital role in managing the day-to-day business of ensuring our club runs smoothly and I thank you all.

It is pleasing to see, in particular, our WA cohort experiencing growing membership and offering a great camaraderie for Corvette car enthusiasts, practically Terry opening up his shed regularly for members to meet.

I thank Corvette Central and Keen Parts for their continued Sponsorship of NCRS Australia.

In NSW, we have been buoyed by the freedoms of being able to go out on our monthly club runs again with growing participation at these events and some great new venues. We look forward to similar in 2024.

All in all, it has been a very good year for our Australian Chapter, and it has been a pleasure to be Vice President for the past 12 months.

Christmas parties are on the horizon, and I hope you all enjoy the party atmosphere.

Wishing you all a very Merry Christmas and have a safe and happy new year.

Apologies for being unavailable for this year's AGM as I had a long-term prior commitment in Bendigo for the National Swap Meet.

Rod Grogan VP.

Treasurers Comments 2023

It has been my pleasure to have supported the Australian Chapter of NCRS in the position of Treasurer for the past 6 years.

I am relinquishing this position in November 2023, due to the growing work and family commitments and am confident that our new treasurer will continue the great working relationship with Murray and our Club Members to ensure our financial situation continues to be strong.

I presented a Treasurers Report at the AGM for the financial breakdown of income & expenditures. I thank Murray for his concise communication and his ability to ensure that all payments are settled promptly leaving us with a positive financial reputation.

Hi All,

This year has seen 18 new members so far taking us to a total of 106 including Life, Sponsor, Special & Buddy.

We would like to welcome our latest new members since the last newsletter.

Membership is strong, WA have just taken over NSW with 41 members. Well done to WA, going strong!

Renewals will go out in January as our renewal date is 28th February 2024.

Please note, if you joined on or after the 1st of October 2024, your membership is covered for 2024.

Christmas is around the corner; hope you all have a great and safe time and get those cars out and encourage more new members!

Enjoy!

Cheers

5th November Chapter Meet Sydney 2023

Well, wouldn't you know it, we've been enjoying beautiful sunny days, but now on this Sunday, 5th November, the weather has decided to pour down, deterring ten members from bringing their Corvettes to this chapter meet.

Despite the rain, we had a total of 13 members turn up to participate in the Judging Meet. Among them was Graham Tydeman, who presented a stunning Milano Maroon 1966 coupe. Graham acquired this car from Alabama and was the third owner.

He was able to locate the car through a dear friend of ours in Alabama, Jim, and Shirley Hornaday. To our knowledge, this is the first time this car has been judged.

Rod & Barry started on the mechanical as always, the biggest problem with this division is finding the numbers and confirming they all match the production date.

Prior to the start of the Judging procedure, Murray presented the latest criteria on the new paint judging procedure. Which the judges then proceeded to use the new procedure.

Ross, Mick, and Murray carried out the judging of the exterior on the car.

At the same time, the interior judges started their procedure Scott, Joe, and Evette Carried the inspection out.

As you can see, Anthony & Evette were the only one's brave enough to bring their Corvette on such a rainy day. Congratulations goes to them on such a rainy day.

The Chapter Meet went ahead without any problems and we were able to complete the procedure in a respectable time.

NCRS AUSTRALIA INC CHAPTER NEWSLETTER

A big congratulations goes to Graham on receiving a Topflight Award on his 1966 Corvette Coupe. Seeing this was the first time this car has been judged, for it to be awarded a Topflight Award, speaks how highly the condition of the car is.

Graham receiving Longest Driven Award.

Graham receiving his Topflight Ribbon.

Murray Forman, Judging Chairman

14th October Chapter Meet, PERTH

Wendy & I flew from Sydney to Perth on the Thursday prior to the Chapter Meet on 14th October. The Members in Perth had arranged for the Chapter Meet to be carried out in the underground Car park at the Trade Winds Motel in Fremantle.

We had 15 Members turn up for the Chapter Meet and a total of 8 Corvettes.

We have judged other events at this sight, and it is a terrific venue. I must give a big congratulations to the Management of the Motel, who really looked after us in many ways.

We had 2 cars to judge at this event, one being a 2000 C5 Coupe under the Flight Judging procedure, presented by Colin Morris, the other a 1999 C5 Convertible being judged under the Modified Division presented by Tim Allard.

Both cars were presented immaculately.

NCRS AUSTRALIA INC CHAPTER NEWSLETTER

As you can see, it is a great venue, even for the non-participating Corvettes to be parked in secure areas as well as a great judging field.

Peter's new C8 Convertible and Gary's C2 Coupe.

Here we have Glen's C5, Terry's C3, Mortens C2, Johns C3, & Peters C8.

As President, I have the authority to hand out support pins to the Members that I feel are worthy of recognition of the support they give me in running the Chapter.

I am presenting these support pins to two deserving members: Terry and Gary.

Terry is being recognized for his unwavering support in running Chapter meetings and for generously opening his shed every Saturday for members to gather. Additionally, Terry's dedication to assisting members with their cars under the 404 scheme is truly commendable.

The second pin is awarded to Gary for his exceptional contributions to the 404-club scheme, his dedication as Webmaster, and his exceptional work as Chapter Awards program officer.

Thank you, Terry, and Gary, for your contribution to the Chapter, the Awards are well deserved.

Murray also presented the 2022 Chapter Topflight Award that the Chapter was presented with at the Nationals this year in USA. We are the only International Chapter to ever receive this award.

Terry receiving his Sportsman Award for his C3. Gary receiving his Sportsman Award for his C2.

John receiving his Sportsman Award for his C3, Morten receiving his Sportsman Award for his C2

Congratulations goes to Tim on receiving his 427 Award for his modified C5 and Colin on receiving Topflight Award for his C5.

After the presentation we all enjoyed a lovely dinner and a few drinks to celebrate another successful judging meet.

Southern Arrizona Chapter Judging Meet Sept. 2023

Our chapter held its first 5-point judging event this fall. There were two cars to judge, my 1968 L89 and Ray Geiger's 2007 C6 Corvette. In addition, Mike Johnson from New Mexico brought down his C8 for a Sportsman display.

The event was held at the DMI Facility in Tucson, hosted by Dave and Ken Mackey. Jeff Schaufel's Golden Catering provided the excellent lunch served on Saturday. We did operations and some flight judging on my 68. Pete Bergmann, the National C6 Team Leader, was gracious enough to come down and put on a judging school for C6's as this was our chapter's first official judging of a C6.

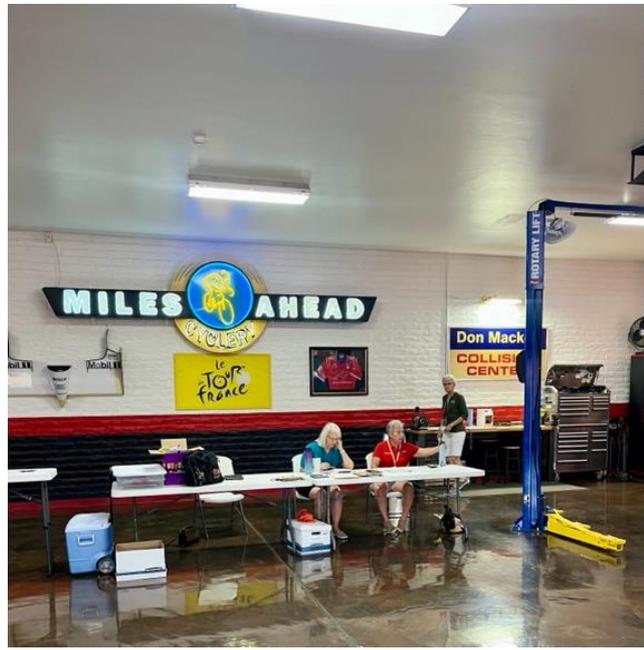

On Saturday, we finished up on the 68 and then Ray brought down his 2007 convertible for flight judging. It was quite the experience for those that were judging the C6 for the first time, but as Pete says, if you're familiar with the NCRS judging system, then it's the same process for the C6's.

NCRS AUSTRALIA INC CHAPTER NEWSLETTER

In my opinion, the manuals produced for the C6 are excellent, as each section is coded to the judging sheet for quick reference, there are many judging reference notations throughout the manuals and even notices for owners. There are plenty of colour photos for easy reference. The other “first” for this event was that it was my first solo judging chairman event. I had a lot of help for which I’m grateful for from Tom Barr, Pete Bergmann, Gary Craig and of course, Bill Calorico who was confident enough in me to hand me the judging chairmanship reins!

Once the tabulators finished, Top Flight ribbons were handed out to Ray and myself. Thanks to all the judges who attended our event: Craig Schultz, Ralph Klestadt, Gary Craig, Pete Bergmann, Mike Johnson, Don Davies, Tom Kumisca, and Jeff Schaufel. A very special thanks to Cathy Bergmann, Margaret Craig and Joyce Garland for doing the tabulation work!

Ontario Canada Regional Sept 13-16th

It's been a few years since there has been a regional judging event in Canada, so 2023 was the year to return to the province of Ontario and the city of Mt. Hope. The event was held at the Canadian Warplane Museum which provided a splendid backdrop of aircraft displays from every era of the Canadian Air Force.

The 3-day event included a beautiful collection of Corvettes for judging and sportsman display, including a C8 wrapped in O.P.P. (Ontario Provincial Police) black & white as a recruiting vehicle!

Along with the vast collection of C1's thru C5's, this event featured the first official judging of C6 years 2005-2007. Pete Bergmann heads up the National C6 team and by all accounts, the first judging of C6's went off without any major issues!

If you've not been to this area of Canada before, you must put this on the bucket list as the place to visit. Toronto, the major city in the area, boasts a very diverse melting pot of cultural delights, including the famous Kensington Market area – a collection of great foods from around the world. Doing a foodie tour here is a must! In addition, the area is home to the Niagara wine region with over 50 wineries for your tasting pleasure. Finally, it is just a short drive to the Canadian side of Niagara Falls where you can enjoy a fantastic day of watching the power of the 3 area falls – Horseshoe Falls, American Falls and Bridal Veil Falls.

Lone Star Regional Event Oct 18-21 2023

The Lone Star Regional is the last Regional Judging Meet of the year and it was held at the Frisco Convention Center adjacent to the Embassy Suites Hotel and Riders Field, the home of the Rough Riders, a Class AA minor league baseball club affiliated with the Texas Rangers.

To give you an idea of the scope of a regional event, about 40-60 cars are registered to be judged across the spectrum of award categories. Typically, there's about 13 cars that are displayed, such as Sportsman, Duntov, Bowtie and others. About 140 folks register, either as judges and/or a car to be judged. Total attendance is usually around 230+. It takes a real team effort to put on a regional, from local chapters to the National team leads and tabulators, vendors and of course, sponsors.

NCRS AUSTRALIA INC CHAPTER NEWSLETTER

The team in Texas has been putting on the Regional for years, and clearly has mastered the planning and execution of such a large event.

Cars are driven and trailered from across the country, owners bringing their pride and joy for our enjoyment. From C1 thru C8's, the collection of cars on display were meticulously detailed to bring out the best features.

This was my second Regional event where I entered one of my cars for judging – the '96 Grand Sport which I had judged for PV earlier this year at our regional event in Tucson. I trailered the car, about a 2,000 round-trip mile journey and about \$1200 in diesel fuel and DEF for my GMC 2500 HD!

Tom Barr's C4 team of judges did an outstanding job going thru the car and pointing out opportunities for improvements of which I'm very grateful to receive! Total point deduction was 49, which puts the car in position for a Dave Hill Award. While my car was being judged, I had the opportunity to judge Interior on Pete Bergmann's C6 team.

Saturday evening was the awards banquet and here's some photos of some of the awards presented by Dave Brigham, National Judging Chair.

I was fortunate to receive a Top Flight for the 1996 Grand Sport, a very satisfying goal accomplished!

Another great experience for Joyce and me, it was a very interesting road trip, travelling through New Mexico flatlands and along I-20 in Texas, seeing the vast array of energy-related companies operating between Pecos, Odessa, Midland and Abilene.

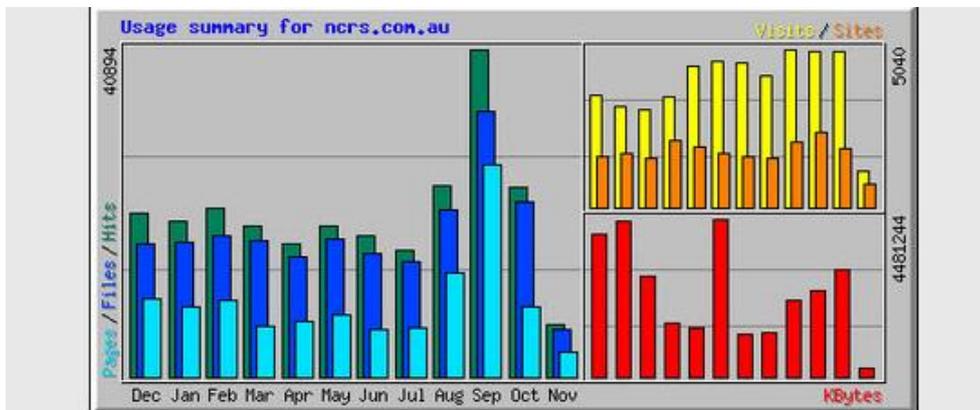

AGM Nov 2023 Webmaster Report

Based on the provided statistics, NCRS.com.au appears to be a popular website among Corvette enthusiasts. The website's high traffic volume, long average session duration, and low bounce rate suggest that visitors are finding the content relevant and engaging. Additionally, the website's high organic traffic share indicates that it is well-optimized for search engines and is being discovered by people actively seeking information about Corvettes.

Here are last year's specific statistics that shows that NCRS.com.au is a popular website for Corvette enthusiasts:

1. The website has thousands of page views per month.
2. The average session duration is over 4 minutes.
3. The bounce rate is under 30%.
4. Over 60% of traffic comes from search engines.
